

We are open

Please note our extended food opening times of 12pm – 8pm

We highly recommend booking a table in advance.

When you arrive at the hotel, you will notice that things will have changed, Hotel Residents will now only use the Main Reception door and all other guests will use the main Riverside Restaurant door.

We also have a one-way system throughout the whole hotel to keep all our customers and staff safe and to accommodate the facilities, which will be a one-in, one-out system. There are also hand sanitising stations located at the entrances and throughout the building.

In compliance with the Governments regulations, we will ask for customer details for Track & Trace. These will be kept on file for 21 days and then destroyed. We will not use any information for marketing purposes.

Once you are seated in our Riverside Restaurant or Terrace, it will be table service only. Please be patient as we are expecting a high number of bookings. All our tables will be 2m apart and will remain that way.

Our maximum number per table is 6 people, we will not be moving tables. If you are looking to book for more, please be aware that you will be placed over at least 2 tables.

Please also note that our Reception will be unmanned between 11:30am – 2:30pm. All answer phone messages and emails will be responded to after that time.

Please call or email to book your table in advance on
01502 712270 or enquiries@waveneyhousehotel.co.uk

Thank you for your understanding,

Waveney House Hotel
